

Weeks later from California.

ADDITIONAL NEWS BY THE PROMETHEUS.

There were continued rumor of Indian hostilities in the northern part of the State; the commissioners who were treating with the Indian tribes, are reported to have had with excellent success in pacifying the Indians.

The report has had little effect on the markets. The auction houses were doing most active business. Clothing, boots, shoes, &c., were extremely dull, and except for a few articles, prices were ten per cent. easier than on the 15 of May.

The steamers Northern and New Orleans arrived at Panama on the 3d of June—the former with \$500,000 and 125 passengers, and the latter with \$400,000 in gold and 200 passengers.

The San Francisco Alta California, of May 31st, says:

Our city is again built. In our last issue for the States we told of its destruction and now of its restoration. These two fires did not have as much effect on the prices of goods as was anticipated, owing to the great amount of goods on shipboard and the arrival of large cargoes.

The Whig and Democratic parties have made their nominations, and the contest for State Officers and Congress is fully opened. The Whig nomination made here were made with great unanimity, and probably the Democrats will give quite as undivided a support to their nominees.

The Whig State Convention, which assembled in San Francisco on the 25th of May, concluded its sittings on the 29th. The following is the ticket they have put in nomination: For Governor, Pierson R. Reading; for Lieut. Governor, Drury P. Baldwin, of Tuolumne; for Judge of the Supreme Court, Todd Robinson, of Sacramento; for Attorney General, W. D. Fair, of San Joaquin; for State Comptroller, A. G. Able, of San Francisco; for State Treasurer, F. M. Bent, of Butler; for Surveyor, Gen. Walker Herron, of San Joaquin; for Congress, L. J. C. Kewen, of Sacramento, and B. F. Moore, of Tuolumne. The Democrats have nominated: For Governor, Sam'l Pardy, for Judge of the Supreme Court, S. H. Haydenfeldt; for Treasurer, Richard Roman; for Comptroller, U. S. Uraslow; for Attorney General, S. Hastings.

The prospects of agriculture are very good—much better than was at one time anticipated. The late rains have materially increased the probability of good crops.—This employment of a portion of our citizens is certainly increasing, as it is a profitable one.

A disgraceful riot occurred at Nevada on the 24th of May. A Mr. Haydon claimed a lot on Oregon Hill, and others also claimed it. He sold it to a party and went to put them in possession of it. He was attacked by one of those who had it in possession for some days, with an axe, while another fired a pistol, whereupon a general fight ensued. Ed. Jenks, of Roscoe, Ill., was killed and, W. Nichols was mortally wounded.

Rumors of Indian difficulties and skirmishes in the northern part of the State were rife.

Deaths in California.—Among the deaths reported, are N. Sullivan, of Fulton county, Ohio; Thos. Winters, (saddler) St. Louis; Ann McAbor, New Albany, Ind.; Henry Cirol, M. D.; Ed. Bryant, M. D. M., G. Cushing, Va.

LATER FROM OREGON.

New York, July 3.

Advices from Oregon to May 24th have been received at San Francisco.

The propeller Sea Gull struck on a bar, entering the Columbia river, injuring her screw. She had been hauled up, and was undergoing repairs.

The news from the Klamath mines is set down in the Statesman as rather discouraging.

The election for State officers has about to take place.

The Propeller Black Hawk had commenced her regular trips between Portland and Oregon City.

INSURRECTION IN SOUTH AMERICA.

New York, July 3.

Advices from Bogota to May 22, state that an insurrection had broken out in the provinces of Pasto and Jugoero. Gen Franco had proceeded with a force of 500 men to the scene of rebellion at Pasto, and succeeded in driving the rebels from their quarters. He afterwards discovered that about 400 of them had escaped into Ecuador. Gen Franco then proceeded to Jugoero, where a desperate battle ensued. Many lives were lost on both sides, and many rebels were taken prisoners. The insurgents, having been totally defeated, took refuge in the adjoining province of Ecuador, leaving the dead and wounded on the field. The head of the insurgents also escaped into Ecuador.

Much excitement existed at Bogota. Congress had passed a law abolishing slavery in the Republic.

Another disgraceful riot had occurred in Bogota between the natives and foreigners. No lives were lost.

We have Panama papers of June 16.—The steamer Aspinwall, while on her way down from Gorgona to Chagres, was run into by the steamer Gorgona. The concussion is described as dreadful, but none were injured.

Washington, July 3.

The Republic this morning announces that

the department has already issued \$1,500,000 in postage stamps, and is sending them out at the rate of four thousand per day. The Philadelphia manufactory is making between three and four hundred thousand per day, and will soon be able to manufacture sufficient to supply the whole country.

CINCINNATI, July 3.

The Ohio Whig State Convention assembled at Columbus this morning and permanently organized by the election of H. L. Penn, of Brown county, as President, with twenty-one Vice Presidents and seven Secretaries.

After the preliminary proceedings, the Convention proceeded to vote *viva voce* by counties. Sam. F. Vinton, Thos. Ewing, Hiram Griswold, and Wm. P. Catlin were severally named as candidates for Governor. Ewing and Griswold were afterwards withdrawn. The result of the voting was, 212 for Vinton and 38 for Catlin. Vinton was declared nominated. The vote for Catlin was principally from the Western Reserve. The Convention took a recess till 2 o'clock.

[PUBLISHED BY REQUEST.]

From the Missouri Statesman.

COL. WM. T. WOOD.

Mr. Editor:—Having heard the enquiry repeatedly made, who is Col. Wm. T. Wood? one of the candidates for the Supreme Bench, I beg, in very few words, to answer the question. Col. W. is a native of Kentucky, having emigrated to Missouri when a very young man, nearly twenty-five years ago. He located as a lawyer in Columbia, and is well remembered by many of our early settlers here, for his modest deportment and sterling good sense. He remained in Columbia but a short time. From this place he moved to Liberty, in Clay county, where he soon established a reputation at the Bar, as a successful and profound lawyer. For the last few years he has been residing at Lexington, where he justly stands at the head of the profession. By steady application he has made himself a fine lawyer, ranking with the very first members of the profession in our State. But it is not for his legal attainments, alone, that Col. W. is so eminently fitted for the Supreme Bench. It is the purity of his private life, his unbending integrity, his dignity of character, and his impartiality, that commends him with equal favor to those who appreciate all these noble qualities in a Judge.

Few men in or out of the State, regarding his whole character, is more admirably adapted to the station for which his friends have recommended him. He would be an ornament to the station for which his friends have recommended him. He would be an ornament to the Bench, and I hope that in considering the claims of other gentlemen who are candidates for that office, the good people of Missouri will not overlook those of Wm. T. Wood.

COALITION.—The Whigs and Free Soilers of Illinois are uniting their forces in favor of the free banking swindle. Such a compact, by such parties, to carry out such a scheme, does not take us by surprise.

CHOLERA.—The deaths by this terrible disease at Alton, for the week ending July 2d, were five.

DR. HUSTON'S DIARRHOEA or CHOLERA DRORS, is a safe and efficient remedy for all pre-morbid symptoms, such as Diarrhoea, Dysentery, pain or cramping in the stomach or bowels. The genuine article is to be had at the Drug Store of J. WILLIAMS & Co. July 9th 1851.

We are authorized to announce CHARLES JONES, of Franklin county, as a candidate for Judge of the Supreme Court, at the election to be held on the first Monday in August next.

A CARD—JUDICIAL.—The undersigned, offering himself a candidate for the position he at present occupies upon the Bench of the Supreme Court, deems it not improper to refer citizens of the State with whom he may be unacquainted, to the authorized reports of his official opinions, and to add, in the same connection, that if continued in his station he will devote to its duties his exclusive consideration.
